Show #2 Quiz The Wiz!

Got Walls? Then you will definitely want to complete your home improvement education with **Quiz The Wiz**. Ask your questions about the walls around you. In the final session of *The Wizards Workshop* hosted by Brian Santos, "The Wall Wizard", he will magical demystify the most common myths, mistakes and misconceptions that everyone has about the surfaces around us.

For Example:

1. Why don't the colors I choose work in the room?
 2. How can I remove mold and mildew without using bleach?
 3. How do I repair my water damaged ceiling?
 4. What can I do about the stains on my deck?
 5. And finally, how can I quickly and easily strip multiple layers of wallcoverings off the wall without damaging the wall surface beneath?
- Well never fear... The Wall Wizard is here! Brian will reveal the time-tested tips, tricks and techniques that answer and solve these daunting decorating dilemmas.
